# Mediband®

## Wristband Sizes

Mediband® Wristbands are available in up to four sizes: Extra Large, Large, Medium and Small.

Extra Large is plus-size for adults of large build.

Large is our standard size and is ordered more often than the smaller band sizes.

Medium wristbands are smaller in size and are recommended for children 12 years and under. Medium size wristbands will fit most primary school children.

Small sizes are even smaller than Youth at 5.9" (150mm). These are recommended for children under 5 years of age.

Extra Large wristbands are 8.6" (220mm) in size.

Large wristbands are 7.9" (202 mm) in size.

Medium wristbands are 7.1" (180 mm) in size.

Small wristbands are 5.9" (150mm) in size.
